## "Camp"ership - Financial Aid Application

Thanks to generous donors, the Y is able to offer "Camp"erships for summer camp 2011. "Camper"ships are partial fee waivers granted to children who otherwise would be unable to attend. Financial aid is not awarded to children who are already registered and have paid for camp and would like to attend additional camps. Campers will only be awarded financial aid for one week each summer. Because "Camper"ships are based on financial need, families who apply must demonstrate economic need.

We understand that our camp families have differing abilities to pay, so we are now offering a voluntary 3-tiered pricing program to better accommodate all financial needs. This voluntary pricing program does not influence the quality of the camp experience that your child will receive. We are now giving each family the opportunity to decide how much they can financially contribute toward their child's camp experience. Please select the tier on the back of this application.

The YMCA will notify all scholarship awards at least one week prior to the beginning of the desired camp. The YMCA reserves the right to accept all or none of the applications.
