We build strong kids, strong families, strong communities.

## YMCA Playland

Ages: 10 years old and younger

### About the Program

The Playland offers a new and fun venue for playtime at the YMCA. It has two sections to accommodate the play levels of both pre-school age children and children up to 10 years old. The facility will be utilized in specific programs such as the drop-in, childcare center, pre-school and Live “Y”ers after-school program. In addition, there will also be daily sessions of open-play with staff supervision provided and benches for family to come and watch the fun. YMCA Birthday parties will have the option to use the Playland to add to the birthday fun! So come enjoy the facility for your next birthday party or just as an addition to your daily visit to the YMCA.
