Making the Sheridan County YMCA a place for all!

The **purpose** of our annual Give Your Heart To A Child campaign is to raise **awareness** of and support for scholarship opportunities for **low-income** youth, families and seniors. Currently, over 17% of Y **participants** receive free or reduced memberships.

We invite our community partners, through their charitable support, to help make Sheridan a great place to live for all people.

Did You Know that the Sheridan County YMCA processed 135 scholarship applications in September and October!

"The greatness of a community is most accurately measured by the compassionate actions of its members" Coretta Scott King
