Junior High Program Opportunities

Grades: 6 -8

About the Program

In response to lack of afterschool gym space and increased safety concerns for our Junior High population frequenting the Y without supervision, we are making concerted and consistent effort to follow our Youth Access Policy. The policy states that all youth members, ages 8-13, need to be registered in a program in order to access the building during the afterschool hours before 6:00 pm. We are excited to expand opportunities for Junior High members while providing a positive and safe experience in the afterschool hours.
