Adult Coed Competitive Summer Soccer **Ages: 14 and older**

About the Program

This summer league has been one of the most highly anticipated leagues in recent history. Following upon the heels of a fantastic indoor league we aim to bring back all the great players and more in this upcoming season. The use of our big goals coupled with goalies will give this league an opportunity to be talked about for a long while. If you like crisp-clean passes, fast pace games and playing against and with your friends, then this league is a perfect fit for you.
