Guitar 2

Grades: 1 to 9

About the Program

This class is for students in grades 1-9 who are interested in continuing their musical development with the guitar. This class builds on the foundations from the "Guitar 1" class and pushes students to new heights through group and individual instruction. This curriculum is designed for students who already have experience with guitar-related fundamentals, such as note names and basic chords.

Guitar 1

Grades: 1 - 9

About the Program

This class is for students in grades 1-9 who are interested in learning about playing the guitar. As a group, students in this class will learn foundational skills related to guitar practice, performance, and general musicianship. Students may use their own instrument, or one will be provided for them. This class is designed for beginners with little or no previous experience.
