This summer league should be a fantastic representation of how strong our community is in terms of soccer. Prepared for your enjoyment by a committee of peers, each team has been carefully organized to create the best atmosphere for soccer as possible by doing their best to make sure every team is as closely matched as possible. This league boasts of 110 players from our soccer community! I ask that you are courteous to your fellow player and thank our wonderful referees and prepare to enjoy the season!

The Rules

- NO slide tackling.
- Jewelry, hats, and watches should be left at home.
- Please wear safe shoes only.
- Only the defensive team can be in their own goal area. Attackers cannot pass nor score inside it.
- Blue cards will be issued and a player must leave the field for 2 minutes. Yellow cards will be given and player must leave the field for 5 minutes. If given two yellows or a red then the player will miss the following game and must leave the Y complex.
- The game will be played with throw-ins.
- League will accommodate a 7v7 format.
- The first goal scored by each female per half is worth two and the rest are worth one per half.
- Penalty kicks can be taken by a female and are worth 2 points irregardless of whether or not she has scored a goal in that half yet. Men can take the penalty kick, but it will be worth one.
- Stay on your feet at all times to prevent injury.
- Players must wear shin guards and socks to cover them.
- League will accommodate a minimum of 2 girls on the field at all times unless agreed upon by both captains.
- Each game will consist of two 35-minute halves.
- Free substitution as long as it doesn't interrupt game play.
- The offside rule is in effect.
- Five pure players must be in attendance at the start of the game to prevent a forfeiture.
- Teams that have 7 players or less can bring in non-rostered players, barring approval of the other team's captain, therefore bringing their available roster to no more than 7. Players who have registered for the league must have the first consideration. The only exception to this rule is if a team is missing three of their four females, but still have 8 players. They can then acquire one more female. There will be no recruitment of subs during the playoffs.
- Teams that do not have a female player (sub or otherwise) must play a player down.

If there are any other rules that are not mentioned above then please contact your referee or administrator.
