Youth Fall Soccer

Grades: K-8th

About the Program

The world's largest sport is back at the Y and is ready for the fall run. Soccer teaches kids the importance of teamwork as they learn to pass back and forth before someone takes the big shot and scores! Children's faces will light up as they play this famous sport, interact with their teammates and strive to put the ball into the goal. That's Y Soccer! Come, have fun with us!
