City-Wide Youth Chess League **Grades: 3rd-5th**

About the Program

History tells us that Chess is the oldest recorded game ever invented. At the Y, we have this classic as a means to encourage kids to participate in the lifelong enjoyment of this game. Players will learn each piece's movement and understand strategy, forward-thinking, and sportsmanship. They will learn how to manage the resources at hand and make the final move to put their opponent in checkmate. A robust scholastic tournament involving Wyola and Sheridan and Johnson Counties will take place in March at the Sheridan Senior Center.
