Give Your Heart To A Child

Friends of the Y Annual Campaign

The purpose of the Sheridan County YMCA annual campaign is to raise awareness and support for creating scholarship opportunities for low-income youth, families and seniors. We need your help to continue the practice of denying no child or single-parent family a membership for reason of economic hardship.

Did You Know...over 1,000 individuals benefited from free or reduced memberships last year.

All pledges are for the year 2019. It is not necessary to send a donation at this time. If you have already pledged for the year 2019, thank you.

Yes, I would like to contribute to the
