## **Chess Camp**

**Ages: 6-12 years**

### **About the Program**

The history of chess goes back almost 1500 years. Did you know that after three moves apiece there are over 9 million different board positions? We are offering this opportunity for youth, from beginner to advanced skill levels, to learn and improve playing chess. Campers will learn tactics, some positional theory, learn a new opening or two and make friends. Members of the Sheridan Chess Club will be on hand to offer instruction and provide some insight to this lifelong game. Camp is limited to 20 participants.
