Leader-In-Training Applicant:

The Sheridan County YMCA offers a leadership program to young people ages 13-15. The LIT program is a goal that many campers strive for and our camp is proud to offer this opportunity to you.

LIT's are admired and respected by the younger campers and our camp staff for their commitment in working to become better leaders and members of the camp community.

The LIT program is designed to provide the skills, knowledge and experience to effectively interact with individuals and lead groups. The Y's values of caring, honesty, respect and responsibility are emphasized throughout this program. LIT's that show maturity, enthusiasm, responsibility and initiative may be invited to be a junior counselor position at age 15.

Included in this packet is a list of camp dates you will possibly be scheduled for, the LIT application form and one reference form. Your reference should be an individual who knows you well and isn't a relative. This individual (teacher, minister, neighbor, guidance counselor) should be willing to provide you with a reference verifying your work with children and that you are of good character. Please have your reference mail their reference letter directly back to Amelie Gallegos at the YMCA address listed above. Camp training will be June 1st, 2020.

We are pleased to work with young leaders who are mature, responsible and eager to participate as part of the Y family.

Sincerely,

Amelie Gallegos
LIT Coordinator
