About the Program

Enjoy your adult workout knowing that your children are having fun with other kids and activities. Available on a “non-scheduled” basis, the center is to be used only while parents or guardians are in the Y facility.

Parents can bring snacks however the Y does not have food storage. Label snacks and bring in a non-breakable, spill-proof container. Children must be checked in and out and only dropped off or picked up by authorized adults.

Parents will be notified if the child cries for more than 10 consecutive minutes.
