Staff Highlight: College Grads

Staff Highlight: Eric, Tess, and Ruben

We want to wish these three weight room staff the best as they graduate from college! Not only did they buckle down in their school work, but they have also been an integral part of the weight room staff. Eric is graduating with a degree in Exercise Science and has recently been accepted into the Nursing program! Tess achieved her Associates in Business and will be taking online courses to complete her Bachelor's in Business Administration from the University of Wyoming while living in Canada. Ruben is graduating with his Associate in Applied Science focused on Diesel Technology. It has been amazing getting to know them, see them achieve their goals, and succeed at everything they do.

Eric: "The Y has become my second family that has helped me to grow in ways that only it could, not just the staff but the patrons as well. My journey has had many milestones and the Y is by far one of the best!"

Tess: "The Y gave my daughter and I a second home. A place where we can have fun, grow and build great friendships. It helped make us feel a part of the community of Sheridan. We are very thankful to be a part of the Y and will miss everyone."

Ruben: "The YMCA has helped me get through many difficult times in my life. When I think of what the Y means to me, I think of Family, Friendship and Well-being." -Roobs

Other college news with staff:

Catie, Amber, and Lindsey in Member Services will be climbing to new educational heights. Catie will be continuing her education in Montana and Amber and Lindsey will be continuing their studies at UW. Good luck team!

Construction Update

Phase 1 of construction underway!

Never a dull moment at the Y! This week pools are being filled in with a foam block material. Thanks to O'Dell Construction for getting us started on our first step in renovating our decommissioned pools & locker room space to expand childcare, afterschool, and fitness opportunities. We are so excited to breathe new life into our original facility and expand programming to serve our community for another 50 plus years!

Standish Family Fund Matching Challenge Underway!

We are delighted to report that the Vision 50 Campaign has had a huge boost of momentum with the recent matching challenge provided by the **Standish Family Foundation**. All gifts through the rest of this year will be matched up to a total of \$250,000. This means any pledge made has double the impact! If you would like to know more about the campaign [click here](#). This is a huge boost for the campaign and we hope it inspires you to consider giving. If you would like a tour of the project space please reach out to Liz Cassidy, ecassiday@sheridanymca.org

If you would like to give today please click the following link....

Health and Wellness

Did you know...

Aquatics and Health & Wellness classes are included in your membership? Check out our schedule page below to find out what class would be best for you!

[Schedule Page](#)

Our Ironman in a Month Challenge is going strong. It's great to see laps swam, cycling rolling, and feet running to reach our goals.

Did you know there is an end of Ironman celebration potluck? Sign up now to share your achievement with other challenge participants at our after-party on April 30th at 6pm.

Aquatics

Swim Lessons are filling up fast. Sign up now to reserve your spot.

Did you know...

We use a UV filter system to help clean the pool? This along with 3 60-lb buckets of Accu-Tab Chlorine pucks per week helps our pools and hot tub stay clean for your use on a daily basis.

Sports

BATTER UP

ITTY BITTY T-BALL
Ages: 4 - 5 years old (pre-kindergarten)

REGISTRATION OPEN
MARCH 29 - APRIL 25, 2021

YMCA T-Ball is a fun, non-competitive program designed to teach players the fundamentals of baseball. Your child will be introduced to the basics such as hitting the ball from a tee, fielding balls, throwing to bases, catching and more. Parent involvement and interaction is encouraged to help boost the confidence and self-esteem of the players!

Program Dates: May 4 - 27, 2021
Days: Tuesdays & Thursdays
Location: Y Fields (across from the Aquatic Center)
Cost: \$30 member -- \$40 non-member (t-shirt included)
*financial assistance available at the member service desk

The first 3 days will be practice with the last 5 days being dedicated to games. At the end of registration, team rosters will be made. Once coaches get their roster, they will contact parents to inform them of their practice and game schedule.

** Volunteer coaches needed **

Contact Rustin for more information:
rburr@sheridanymca.org or 307-674-7488

Our spring soccer program is running strong. It is great to see all the fun and excitement watching these young athletes play. Games are on Wednesdays up

at Blacktooth Fields on 5th Street.

Soccer Schedule

2021 Handles, Dimes, and Drains Summer Basketball Clinic Ages: Students going into 3rd -8th Grades

This program is intended to help develop young basketball players and keep their skills sharp over the summer months. This skills and drills clinic is designed for players of intermediate to advanced skill levels. The summer will be broken into two halves with 10 sessions in each. The program will take place at the YMCA on Tuesday and Thursday mornings 7:00-8:30 am. T-shirt provided.

Program Dates: First Half: June 8 – July 8; Second Half: July 13- August 13

Registration: First Half: April 26 – May 30; Second Half: May 31 – July 4

****Students are limited to participation in one of the two****

Fees: \$30/\$40 (member/non-member)

Childcare and Youth Programming

Playland has been on our minds lately. We are really close to reopening this feature and will let you know soon all the details and availability. Check out our website and Facebook page for updates.

Maintenance and Facility Updates

Our maintenance crew continually works hard to ensure our facility is in top shape for our members. Currently we are working toward changing out the 200 filters needed in our HVAC operations to maintain the ventilation and clean air we use throughout the facility. In peak summer heat this process could be done every couple weeks! Thanks to our maintenance crew for keeping our facility in top-notch condition.

COVID updates:

The Board of Directors has approved the staff recommendation to lift the mask mandate at the facility. In line with the county school district decision, masks will now be optional in youth programs in the building. Staff will also not be required to wear masks, but they will have them on their person in case they are needed or requested by members.

Camp News

Camp season is almost here. Be sure to get on our list early to ensure your camper's spot in one of the 48 different options we are offering at the Y this summer. Find a full line-up of our offerings as well as an up-to-date calendar of filled slots [HERE](#).

Our overnight resident camps are back this summer! Along with our traditional resident and Up-A-Notch camps, we also offer a Hunter/Safety Course, 2 different art camps, a wilderness backpacking week, and a Trout Master's fishing experience.

Interested in helping at camp? We are still filling staff positions. Find more information at the link below.
