**If your child is enrolled in Y afterschool programming, they will  
automatically registered to ride the bus throughout the school year.**

As a parent/guardian I understand:

**Children K - 5 must be participating in a YMCA program  
or with an adult in order to use the Y's physical facility.**

The Y is responsible for assuring that children arrive safely at the Y. Parents are asked to pick up their students promptly after scheduled programs.

In order for youth to ride the Y shuttle you must first register at the Y, but schools may also require parental permission slips separate from the Y. This is a parental responsibility; please inquire at your child's school.

Acceptable behavior is required to participate in the shuttle service. Unacceptable behavior may result in loss of shuttle privileges.

**PLEASE REVIEW THE YOUTH USAGE POLICY ON THE BACK OF THIS FORM.**

## **Youth Usage Policy September 2021**

Making sure the Y is safe for kids and families is fundamental to all that we do. We are committed to the well-being and safety of children. However, the Y facility is not designed or licensed to provide basic child care needs. Any public place, may be unsafe for a child whom is left unattended for long periods of time.

Throughout our programs, in our facility and with trained staff, we implement strict policies to ensure safety.
